17 April 2024

Meeting called to order at 1831 Quorum present (EW MM DM RY (remote)). Minutes for February and March were approved.

We discussed social media and decided that DM will start a TikTok account for GPAMA in line with our published policies and protocols.

Upcoming events for GPAMA to have a presence include an event for MMIW Day at the IPCC on May 5th. We will post information on this event and plan to attend in support. The Pride parade is expected to be the first weekend in June. DM will check on application and entry fee and let us know.

Following up on old business, RY will send notes from the GGA webinar he attended. DM presented draft of business card design and content. She will double check information and logos before ordering.

A reminder was given about the GPNM Annual Convention/Meeting in Santa Fe on Saturday, May 4, 2pm.

Meeting adjourned.
