

Minutes
GPAMA Monthly Meeting
17 September 2025

The meeting was called to order at 1851. Quorum was present (EW, MM, RY).

August minutes were approved. Treasury report not available.

Old Business: The letter regarding the Registry Act to Stansbury was mailed and delivered in person to Vásquez (office). MM is still having trouble posting to Bluesky. UNM Welcome Back Days was a good event, and 12 people signed up in support of a student organisation. Unfortunately there was no response to the follow-up e-mail. No update on IVMP (glyphosate) committee.

New Business: Upcoming protest are regular monthly events at some locations. EW will attend the press conference regarding Genocide on September 18 at 4pm in front of the federal courthouse on Lomas. MM and EW will attend part of Sun Day for Solar at Roosevelt Park on the 21st. We will be in Green Party gear.

We will send in comments on the EIS for rescission of the Roadless Rule. MM will write up the statement. Deadline is September 19.

Announcements: EW raised the WQCC scandal about tampering with the commission to look again at changing the standards to allow discharge of fracking wastewater into rivers and streams. The next No Kings event appears to be October 18, but we anticipate events to commemorate events in Gaza in early October. MM reported that she attended the Sunflower Festival and thought that the Greens should have a table next year.

RY & MM gave input regarding a couple of outstanding GPNM decisions.

Meeting adjourned at 2011.
