GPAMA Annual Convention/Meeting  
25 March 2026

Meeting was called to order at 1826. Quorum established (EW, MM, JM, PG, RY). EW and RY were designated presider and secretary for the convention, respectively.

José Luís Muñoz Muñoz presented to the covention and was unanimously nominated/selected/voted to be the Green Party candidate for Valencia County Sheriff. MM, RY, EW, and JM were named delegates to the GPNM Annual Meeting/Convention. Officers elected were EW for Chairperson, MM for Treasurer, and RY for Green Councillor. We will add JM to the group text.

We discussed upcoming events, No Kings 3 and the UNM Sustainability Fair. At the ABQ event, we will have informational handouts and info for the April 6 webinar that is an update on Gaza. JM will try to attend the event in Los Lunas. The sustainability expo is Thursday April 23rd. MM will register us; tentatively, we'll plan on info on Project Jupiter and update info on the BernCo glyphosate moratorium.

PG gave an update on the NMAJP and JVP. JVP is nearly transitioned to a 501c(4). Everything should be finished by April, and there should not be a problem with collaborations. GPAMA reaffirmed that we want to be part of the Alliance.

Announcements: Gaza update seminar on Monday, April 6, moderated by Jill Stein with a flotilla co-founder and West Bank resident. PG will get the webinar announcement posted on the NMAJP/JVP list. There is a radio interview coming up with Brian McGinnis and Matt Hoh. The ACPJ annual meeting is March 28.

Meeting adjourned at 2001.
