

Minutes
GPAMA Monthly Meeting
21 January 2026

Meeting called to order at 1845 Quorum present (EW MM RY). Minutes for November 2025 and December 2025 approved as sent. Treasury report given: \$74.24 in checking and \$5 in savings.

Old Business--Legal Observer Training from NMELC, no date offered yet.
Project Jupiter--GPAMA will give public comment in addition to that given from GPNM

New Business--We discussed Project Ranger in Sandoval County, Castalion's proposed hypersonic rocket facility. **We will reach out to Common Ground Rising and look to join an alliance.** Rich will try to get more information on the project. We discussed changing our monthly meeting day and are inclined to stay with the third Wednesday but would like to return to Studio One if possible.

Announcements were made regarding various protest actions and rallies that are upcoming. A Green Council meeting is due, we will propose February 8.

Meeting adjourned at 2010.
